

Smart Driver Discount

A discount will apply for eligible rated operator(s) who have completed a company approved Advanced Driver Training (ADT) Program or the teenSMART Training Program. The vehicle must be a Private Passenger Automobile as defined in CIC Rule 27. All operator classes are eligible for the discount when the Advanced Driver Training program is completed. The teenSMART Training program will only be applied to inexperienced operators (class 17-26) when the training program is completed. Discount applies to all coverage parts. Refer to the Rate Manual for applicable courses and discounts.

Note: Ordering the teenSMART training program using CIC Priority Code CIC99 will provide a \$50 discount off the purchase of the course.

Also, customers can save \$50 off of the In Control Crash Prevention Program by using code MAPFRE.
